YOU

Your eyes are like the soft evening light,
That brightens even the darkest of nights.
In the colors I see a reflection of you,
With memories of your love to which I'll always be true.
Precious moments we've shared through the years,
Seems to be enough to wash away my fears.
Fears of defeat, loneliness, and tease,
I've been searching so long to find the answers to these.
Your sweet voice echos through my ears,
And all of my strength can't hold back my tears.
The words you speak are pleasing to me,
And all of my problems become so clear to see.
And as the light fades so slowly to gray,
There are a few words I've been longing to say:
"I love you."

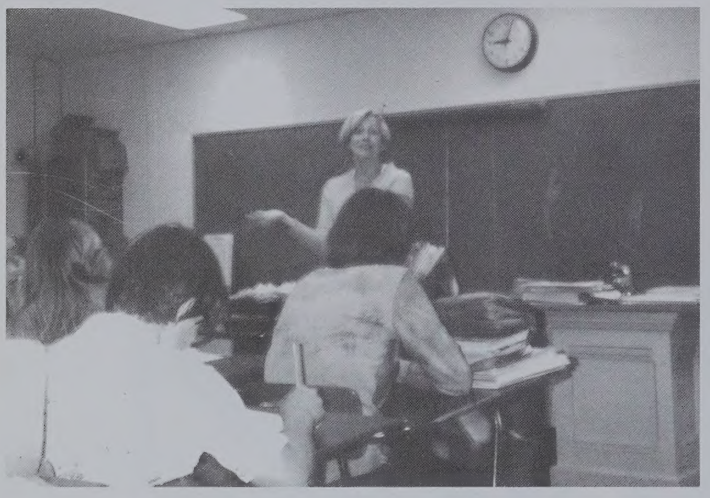
Dedication



We are proud to dedicate the 1976-77 Reflector to Mrs. Marge Campbell. She has played a major role in improving the quality of Buckeye's academic and extracurricular activities, not only as the head of the English Department but also as the advisor of many clubs, including the Quiz Bee Team, National Honor Society, Academic Challenge, and the Student-of-the-Month Committee. It was through her patience and guidance that the Buckeye Chapter of the National Honor Society was able to obtain enough money for a successful trip to Washington, D. C. Buckeye is truly honored to have an excellent teacher like Mrs. Campbell.

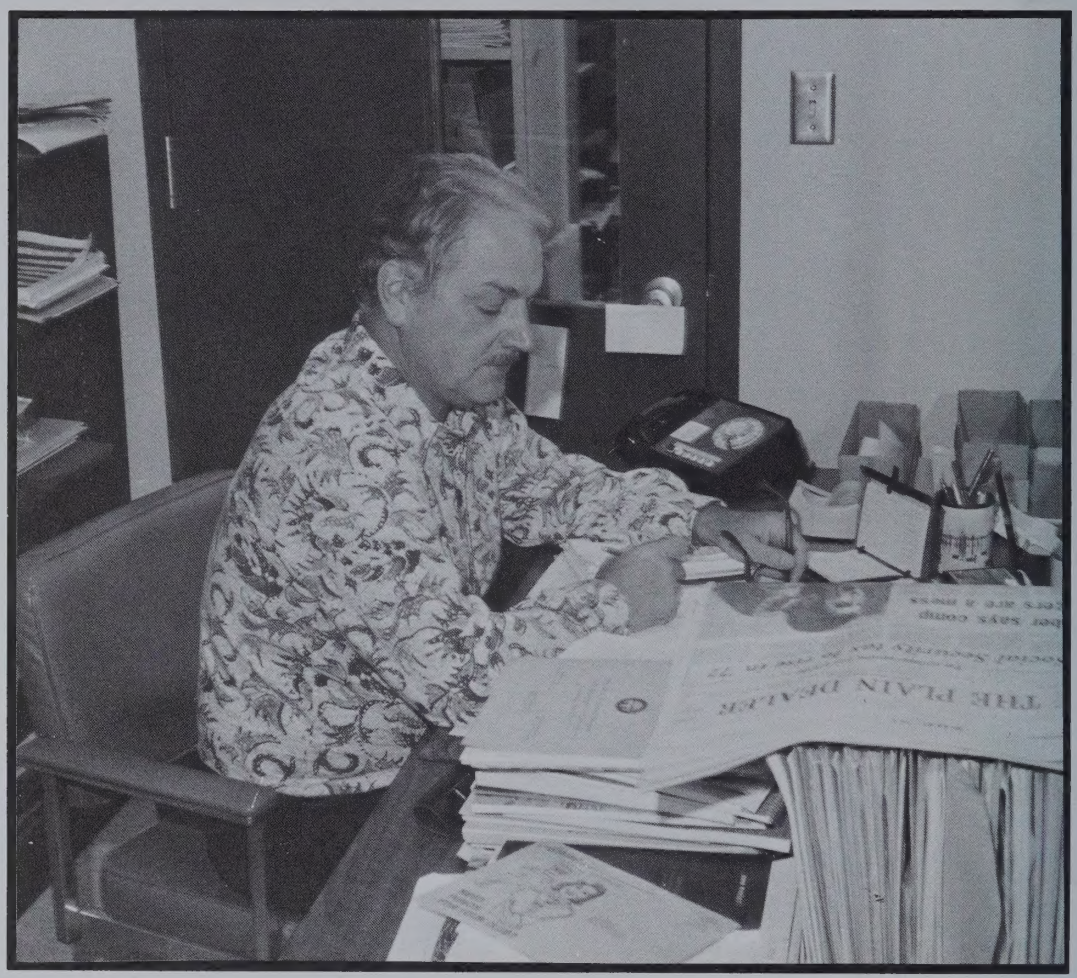
In Memoriam



On October 23, 1976, the Buckeye High School community lost a teacher and a friend. Mr. John P. Ridley was a man of character, integrity, and humor who was deeply devoted to his family, friends, and students. At Buckeye, Mr. Ridley served as the Occupational Work Experience teacher, a high school track official, and coordinator of the annual Buckeye Invitational track meet. He was a ray of sunshine to those whose lives he touched and his passing leaves a void in those lives that can never be filled.

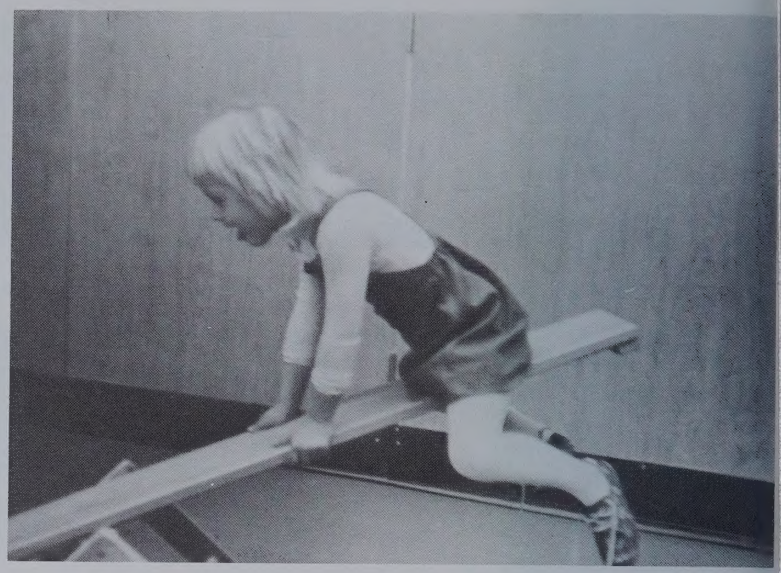
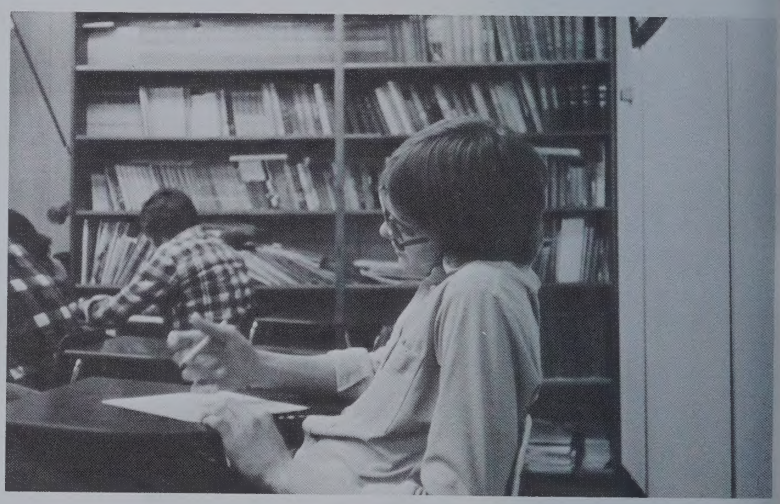
Juniors!

The Junior class began the new school year with the election of class officers. As president the Juniors elected Mike Piechuta - Vice Pres., Bernie Roberts - Treasurer, Teena Asad and Secretary, Nita Smith. Candy sale coordinator was Mark Andos (picture below). The class of 78 worked hard selling magazines in the fall and candy during basketball games, and lunch mods, for which the money went to the Junior-Senior prom. Prom committees-design, decoration, and banquet-all worked hard to make it a success.



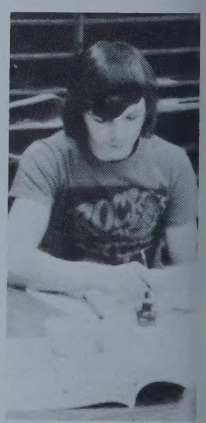
Life is very short, and very uncertain; let us spend it the best we can.

We know nothing of tomorrow; our business is to be good and happy today.



Facts are stubborn things.

Good words are worth much and cost little.



The most wasted day of all is that on which we do not laugh.

Floating On Clouds

Another year goes passing by
Another prom is here
To some this brings a joyous smile
To others, brings a tear
For four years you have tread a path
From dawn to setting sun
But now the path gets steeper
And the climb is just begun.
We're very glad to know you
We'll miss you when you've gone
And to the class of '77
We dedicate our Prom.

Cullin was the named M.V.P. for '76. Mark Campanalie was named most improved. The Bucks finished 12th in Districts. Good luck to the '77 team.

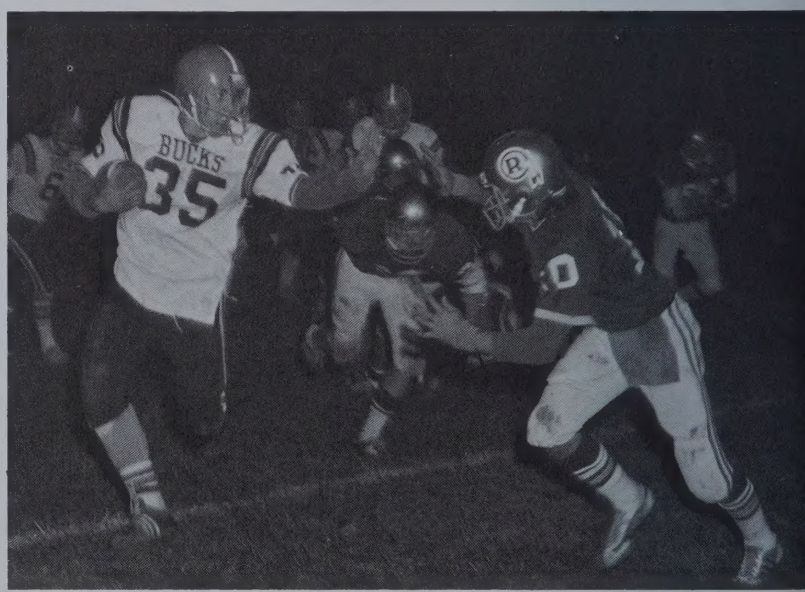
Our 1976 Buckeye Bucks finished their football season with a 2-5-3 record and 4th in the Inland Conference. The Bucks started off the year playing state ranked Orrville and losing by a score of 27-0. The next game the Bucks played a good game against Highland but lost 9-6. Their next three games resulted in ties to Avon 6-6, Keystone 0-0, and Independence 14-14. On the night of Homecoming the Bucks pulled out a close win over South Amherst, winning in the last five minutes of the game by a score of 14-9. In the game against Columbia it was another close one losing by a 6-2 margin. The Bucks now had just three more games and wanted to win the two I.C. games to finish the season with a 3-1-2 in the I.C. They defeated Lutheran West 6-0 but then lost Firelands 20-0 which reined their chances. The Bucks finished out the season by losing to Cloverleaf 15-6. Players on the team receiving special awards at the winter sports banquet were Rob Zacharias and Randy Read for best offensive backs; Tim Tighe, best defensive back; Larry Brant, best offensive lineman; Gene Schaefer, best defensive lineman; Marc Mason, most improved player; and Brett Schalaman, most valuable player.



Matt Turner gained a lot on this play.

Seniors Seniors Seniors Seniors

Seniors Class Officers- SITTING L to R; Jerry Young, Vice President; Paul Morgan, President. STANDING: Debbie Traine, Secretary; and Lois Beriswill, Treasurer.

Under the careful supervision of the Senior Class advisor, Mr. Maggio, the Seniors made Homecoming a great success. Class colors are scarlet and jet black, and the flower is a white carnation. The class motto is quoted from one of John Denver's songs

"Reach for the heavens,
Hope for the future,
And all that we can be,
Not what we are."

BE THE BEST OF WHATEVER YOU ARE

We all dream of great deeds and high positions, away from the pettiness and humdrum of ordinary life. Yet success is not occupying a lofty place or doing conspicuous work; it is being the best that is in you. Rattling around in too big a job is worse than filling a small one to overflowing. Dream, aspire by all means; but do not ruin the life you must lead by dreaming pipe dreams of the one you would like to lead. Make the most of what you have and are. Perhaps your trivial, immediate task is your one sure way of proving your mettle. Do the thing near at hand, and great things will come to your hand to be done.

If you can't be a pine on the top of the hill,
Be a scrub in the valley-but be
The best little scrub by the side of the rill;
Be a bush if you can't be a tree.

If you can't be a bush be a bit of the grass,
And some highway happier make;
If you can't be a muskie then just be a bass-
But the liveliest bass in the lake!

We can't all be captains, we've got to be crew,
There's something for all of us here,
There's big work to do, and there's lesser to do,
And the task you must do is the near.

If you can't be a highway then just be a trail,
If you can't be the sun be a star;
It isn't by size that you win or you fail-
Be the best of whatever you are!

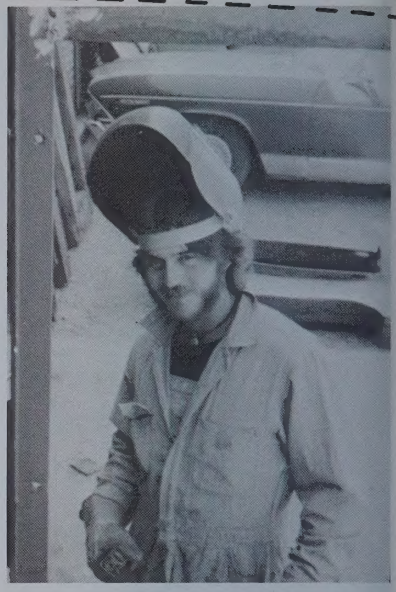
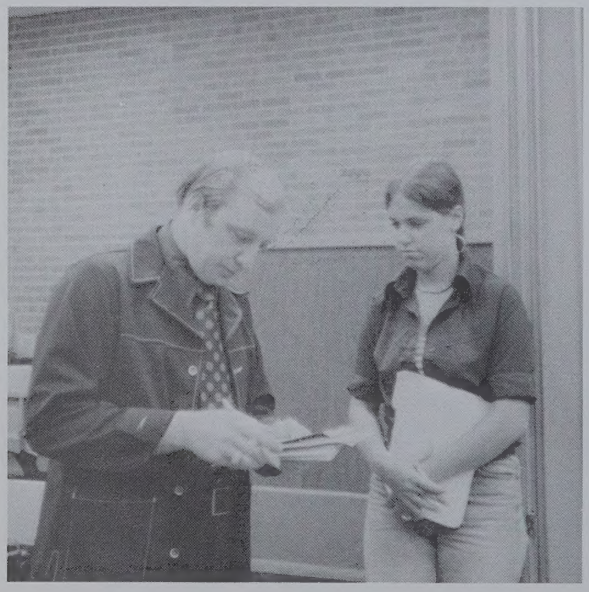
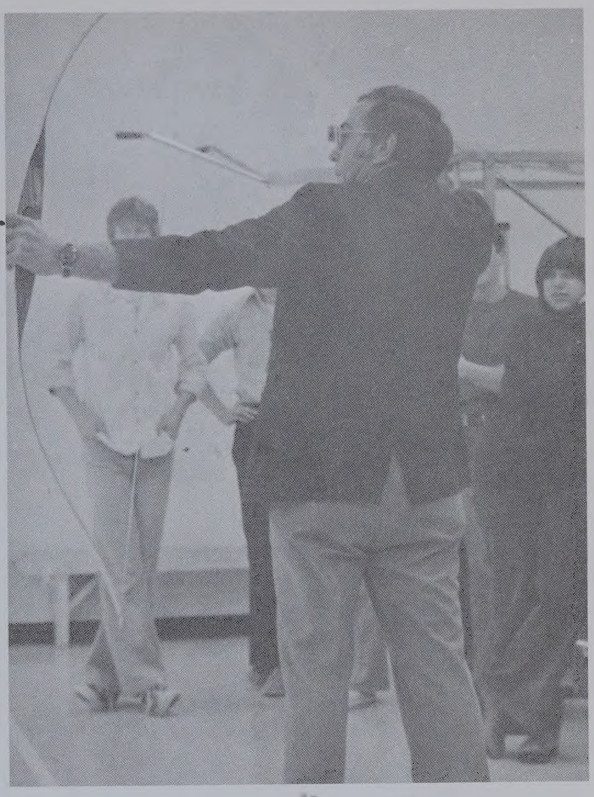
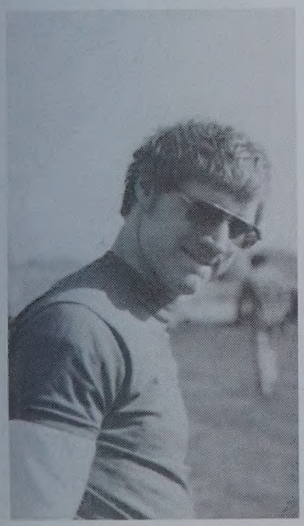
PROUD to be a BUCK

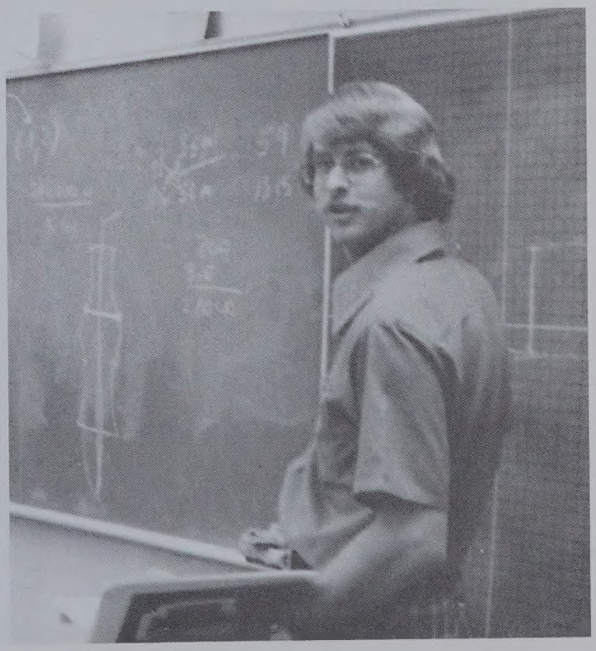


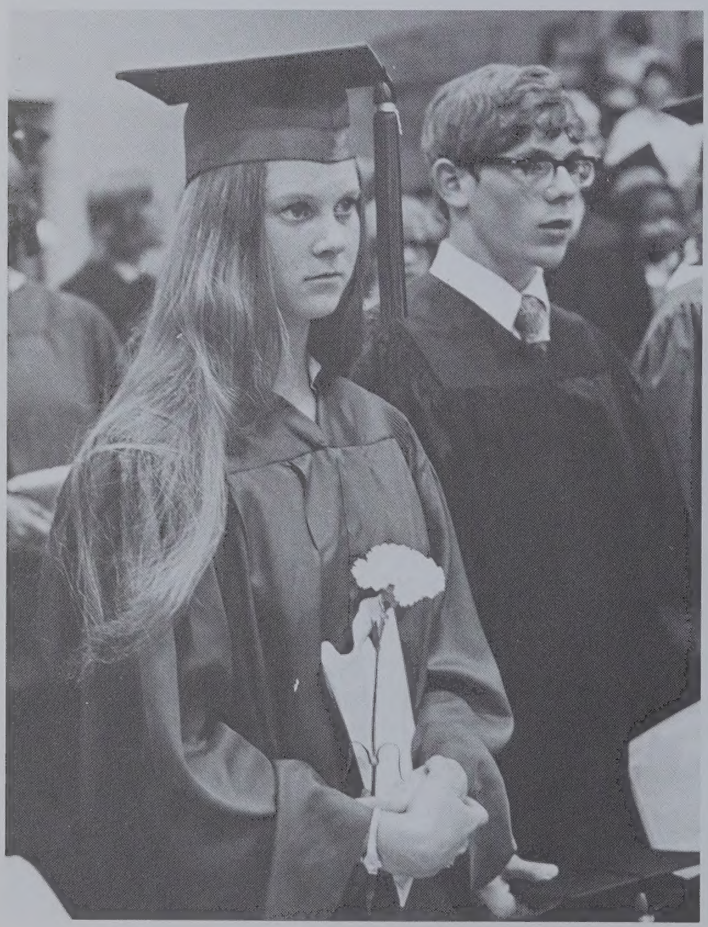


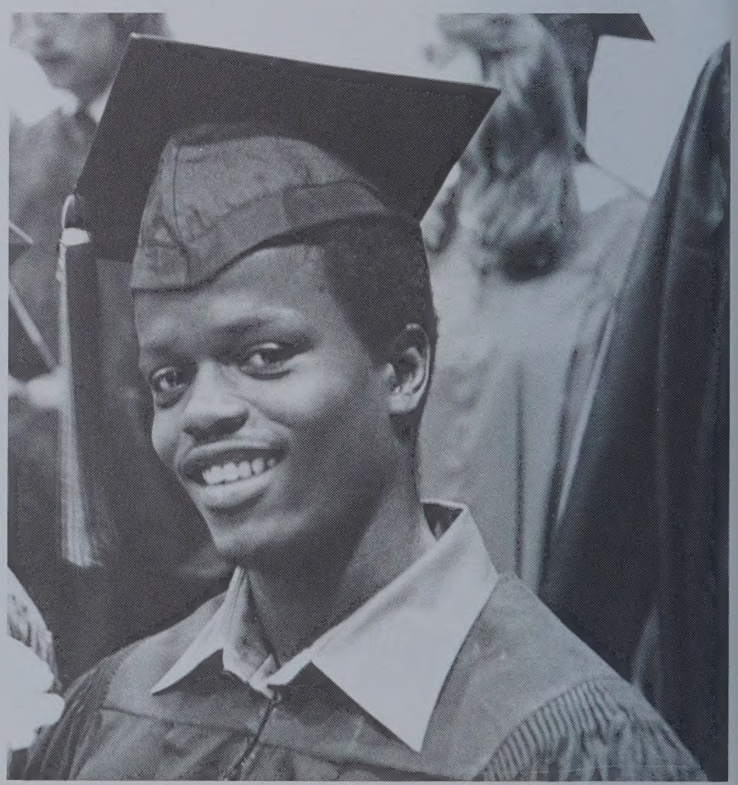


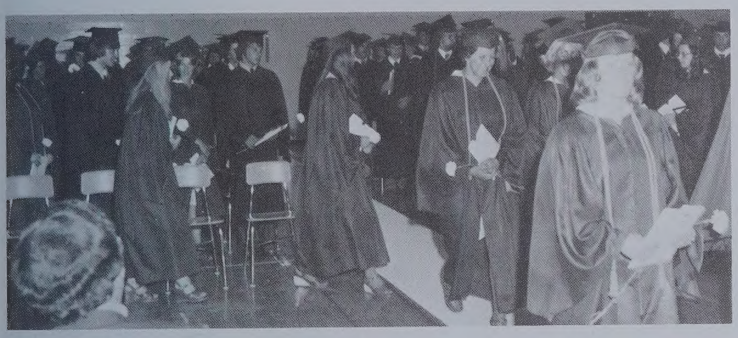


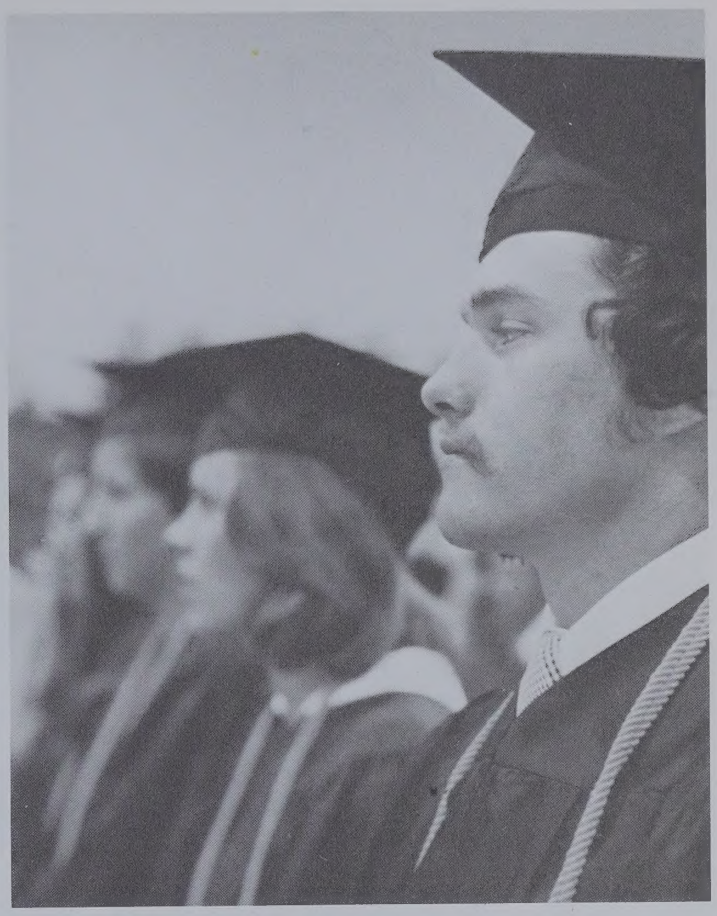
E·PLURIBUS·UNUM
1896

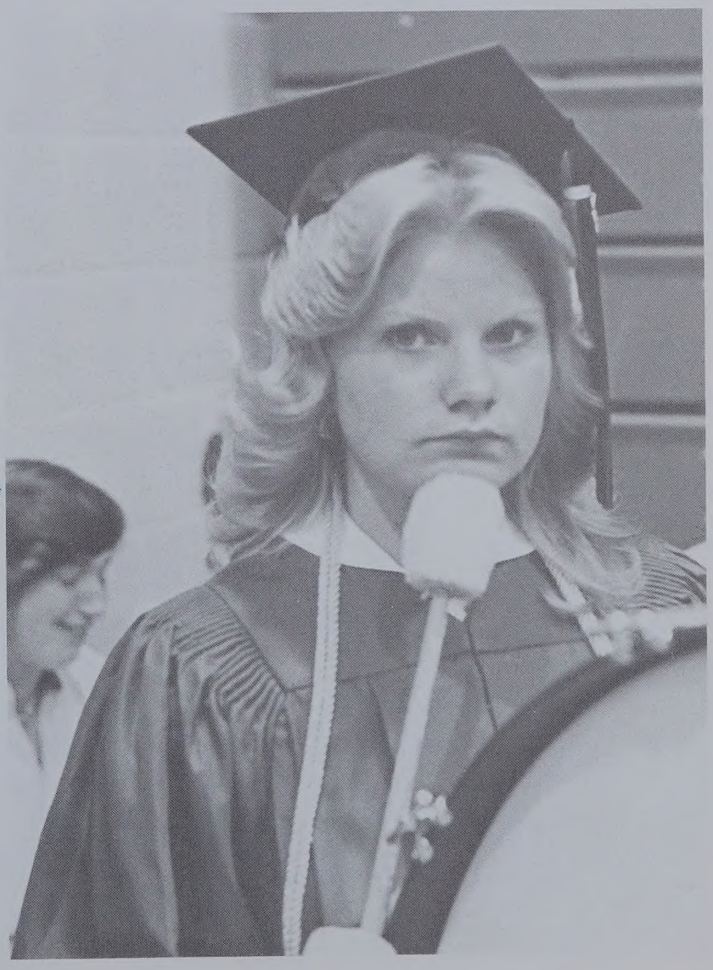


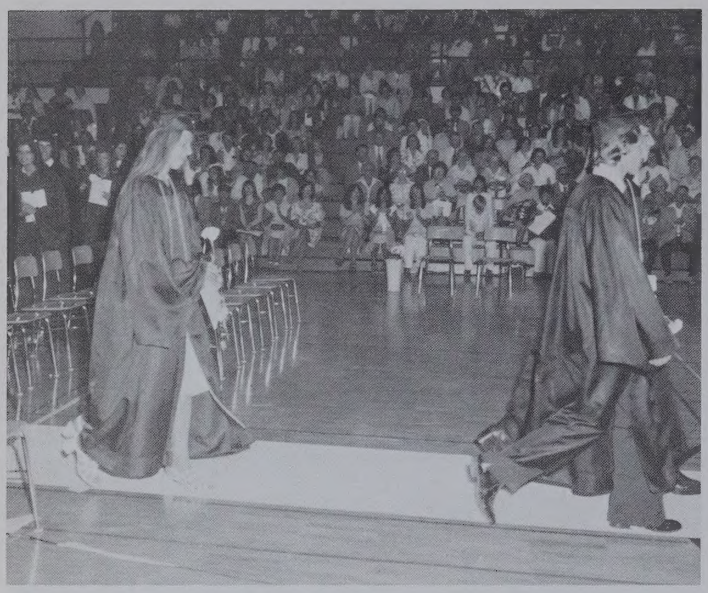


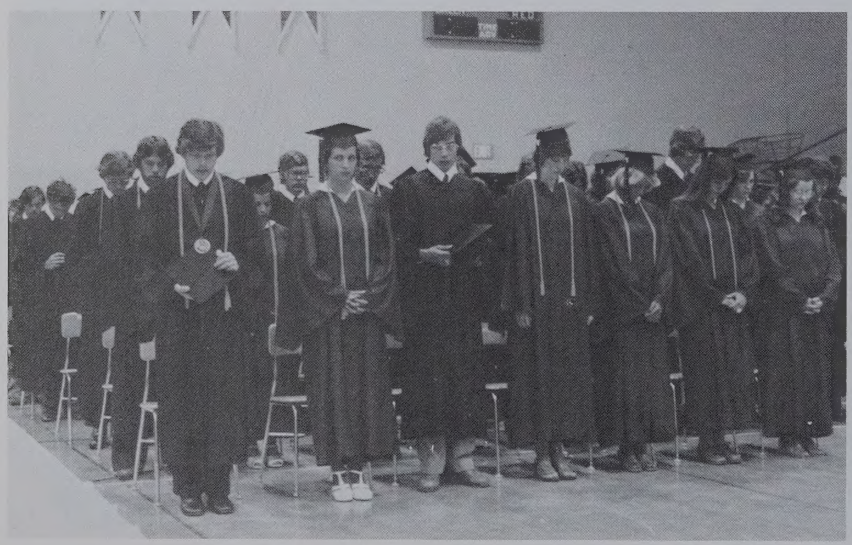


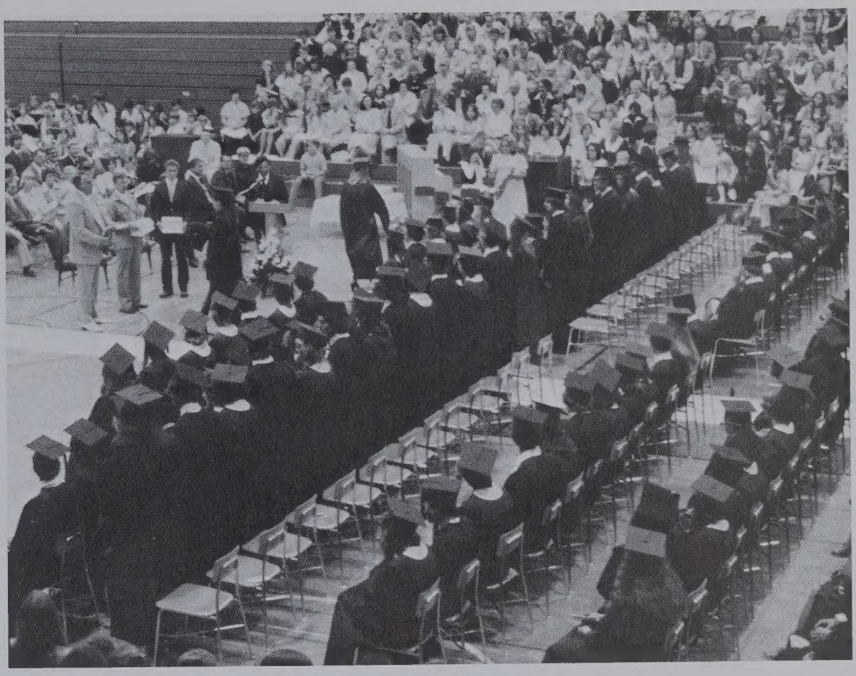


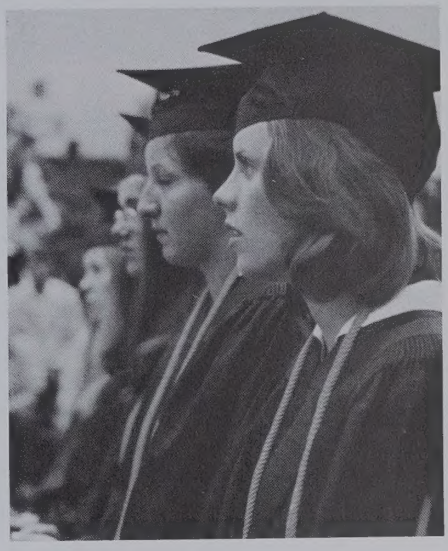


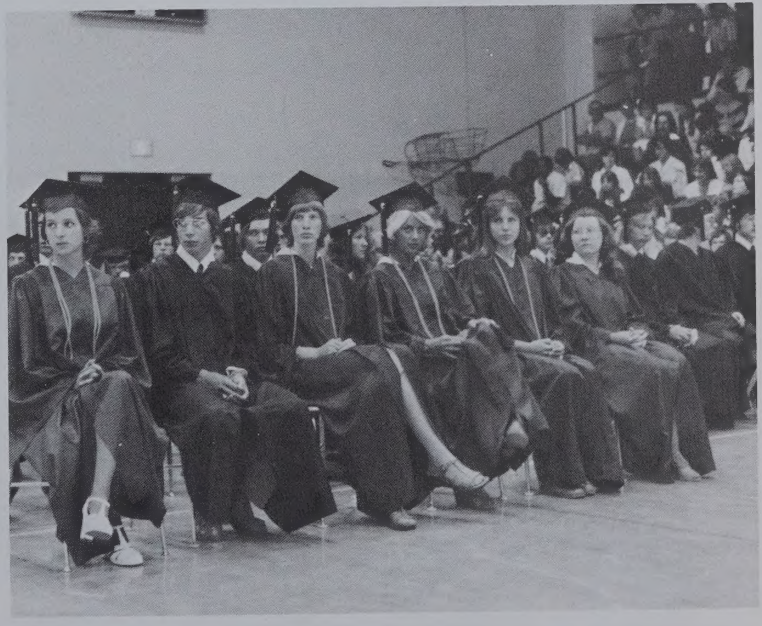


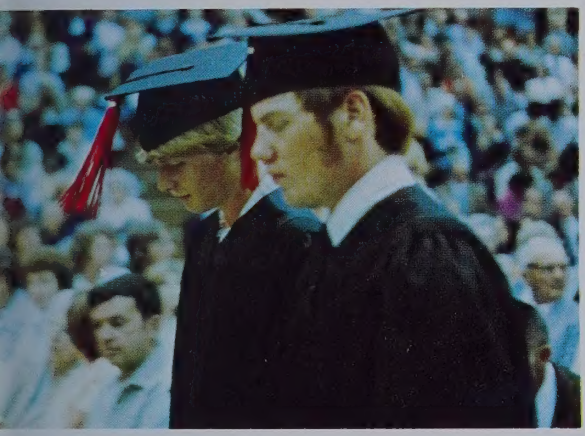


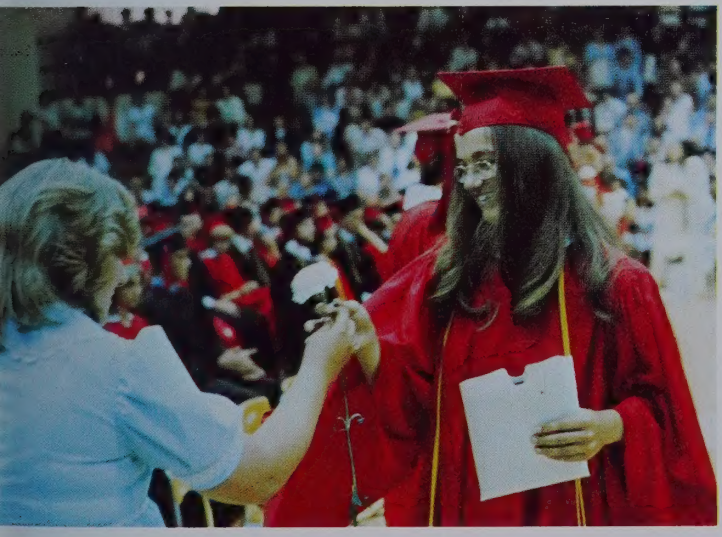


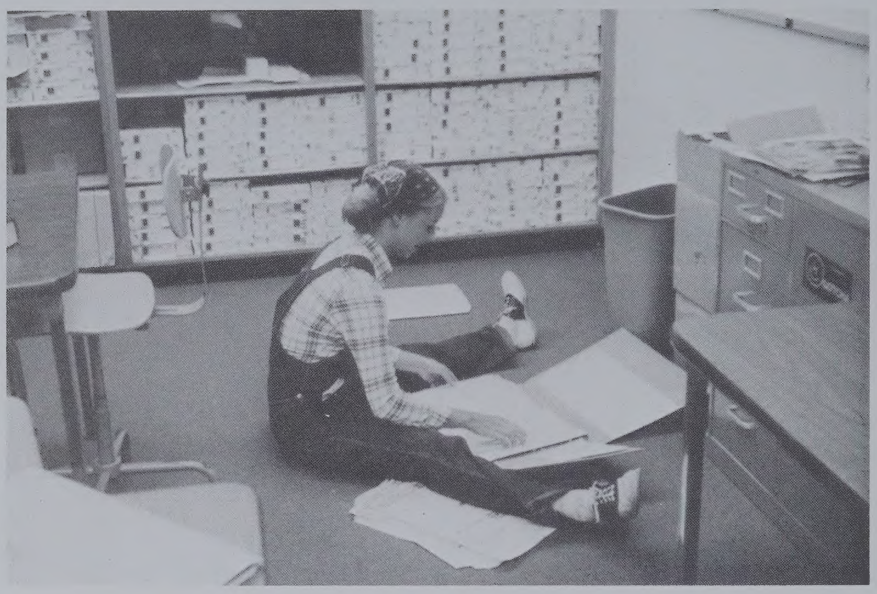












I'd like to take this final opportunity to thank the members of the 1976-77 Reflector staff for all their hard work and dedication, without which this book would not be possible. We've tried to piece together a well-rounded view of Buckeye's students and activities into one volume. I hope there is something contained in this book that will bring fond memories everytime you leaf through these pages.

I'm proud to have been part of the student body of Buckeye High School and even prouder to have been able to help put together this book.

Man is challenged today to excel in almost every endeavor . . . those who do succeed often trace the beginnings of their performance pattern to accomplishment in high school and to those who offered stimulation and inspiration in these formative years. Josten's has long been a partner to these educational leaders in providing a means of motivation and the rewards of recognition, and Josten's products have become tangible symbols honoring perseverance and achievement.

The class ring is representative of the fine traditions of school spirit and unity. The yearbook provides a lasting memento of the year's accomplishments. The diploma is a lifelong record of scholastic success. The graduation announcement heralds this achievement. Awards recognize academic and athletic leadership.
